Dear Church Family,

Another year has passed; we look forward with great anticipation to what our Lord has in store for each of us in 2018. As I meditated and prayed about our theme for this New Year, the Lord seemed to stress upon my heart the importance of ***Living Strategically for Spiritual Success****. We are in a spiritual battle every day; the enemy has a strategy but too many believers are trying to navigate through life without a battle plan, without passion, and without a set purpose. God has designed a Biblical Strategy that, if followed, guarantees spiritual success for His glory. You and I must commit to living according to His strategy.*

Once again this year, we have included the ***Birthdays*** *and* ***Anniversaries*** *of our active Church Family and our Missionary Family. If there are mistakes or if we have left someone out, please accept our apology and let us know so that we can correct our records. We have also included* ***key church activities*** *that are planned throughout the year.*

As you will see, each month also includes a ***Daily Bible Reading Schedule and Scripture Memory of the Month****. We learn who God is, who we are, and how we are to live by spending time in His Word – reading, studying, memorizing, and meditating. Our Scripture Memory this year will focus on passages that emphasize our theme. We have, once again, included a Psalm (worship) and a Proverb (wisdom) for each day. In addition, we have recommended an OT and NT passage each day. The uniqueness of this year's reading is that we will read through the* ***OT Chronologically*** *and will read portions of the* ***NT Repetitively****. As you will see, most of the NT Epistles have been selected to read DAILY for an entire month. That means that we will read much of the* ***NT 30 times****. What an incredible opportunity to saturate ourselves with God's Truth. The repetition and reading the entire Book in one sitting should only take about 15-20 minutes daily but will have a dramatic impact in our lives!*

Another aspect of the process of sanctification is spending time ***PRAYING STRATEGICALLY*** *– for each other, for our Missionary Family, and for me as your Pastor {See the Recommended Prayer Guide on the inside back cover}. I need and greatly appreciate each of you who prays for me! We have listed* ***Missionaries of the Month*** *to assist us in praying and communicating with these servants of the Lord. We trust that these tools will assist us in that process this year. The* ***Directory*** *at the back of the calendar includes contact information for the active Church Family and our Missionary Family.*

It is my prayer that 2018 will be the most passionate, purposeful, and victorious year of our lives – as individuals, as families, and as a church family. Please know that we love each of you and it is our desire to serve our Lord by serving you. If we can be of any assistance to you, please do not hesitate to call – any time, day or night!
